CULT GAIA
PHOTOGRAPHY BY STEPHEN BUSKEN

Designed by Jess and Jonathan Nahon of the NYC-based architecture and interior design firm, Sugarhouse, the fashion brand's newest 1,225 sq. ft. boutique takes inspiration from marine nature and the close proximity to the Pacific Ocean. The store is aptly referred to as "The Shell", and incorporates both literal and subtle references to the sea. Sugarhouse maintains the organic thread of the Cult Gaia brand aesthetic while adopting a distinctive identity suited to its surroundings. 15225 Palisades Village Lane, Pacific Palisades, 310.890.5549, cultgaia.com
